REPORT ON SPECIFIED AUDITING PROCEDURES

To the Board of Directors of the Taber and District Housing Foundation

As specifically agreed, we have performed the following specified auditing procedures enumerated below in connection with the rent charged to tenants of the Taber and District Housing Foundation for the year ended December 31, 2019, in accordance with the established incomes and the applicable rent-to-income scale.

We inspected ten tenant files to ensure that the Taber and District Housing Foundation has verified the tenant incomes. For each of the tenant files selected, we examined the rent charged to determine whether they were in accordance with the established incomes and the applicable rent-to-income scale.

As a result of applying the above procedures no exceptions were noted.

We make no representation regarding the appropriateness and sufficiency of the specified auditing procedures. These specified auditing procedures do not constitute an audit or review of the rent charged by the Taber and District Housing Foundation in accordance with the established incomes and the applicable rent-to-income scale, and therefore we are unable to and do not provide any assurance on the rent charged by the Taber and District Housing Foundation in accordance with the established incomes and the applicable rent-to-income scale.

Our report is intended solely for the Board of Directors of the Taber and District Housing Foundation and Alberta Seniors and Housing and should not be distributed or used by other parties other than the Board of Directors of Taber and District Housing Foundation or Alberta Seniors and Housing.
